AlphaBits Or The ABC's of re-seeing!

It is amazing what we can see in the world around us if we put our minds to it. For instance, have you noticed that a wall socket looks like a surprised face! Here are some faces captured from the world around us...

Activity:

Between now and the time we meet for lunch your task is to find examples of **letterforms** in the world around us. For instance a crack in the sidewalk may look like a "Y", and a vent may look like an "O".

Your task is to work together in a group to

- Use the digital camera to capture examples of the letterform specified below
- Each group has a different letter (don't tell the other groups what letter you have!)
- You are free to go anywhere you like (as long as you get back here on time).
- Submit 3 of your best pictures to Mike before 12:45

Please not that letterforms found on signs and notices do not count and digital manipulation of images is not allowed

Your group's letter is _____

ENJOY!!!
